FIREHOUSE STORAGE & LIVING QUARTERS

With the widest variety of locker configurations, accessories, and finishes available, Legacy Lockers can deliver exactly what you're looking for.

Legacy Lockers - a leading provider of custom lockers for fitness and recreation facilities - announces a new line of personal storage and furnishing solutions for firehouse living quarters. At Legacy Lockers, the skills of millwork craftsmen are blended with modern engineering and construction techniques to create durable, attractive, firehouse living quarters that are easy to install and easy to maintain. With project experience ranging from simple renovations to nationwide athletic club solutions - and the broadest selection of formats, materials, hardware, and finishes - you'll find Legacy Lockers uniquely qualified to meet your firehouse project requirements.

Our Singular Goal: Deliver the highest quality product, with unsurpassed customer service and guaranteed quality, on time and within budget. It's an objective we put to work everyday, on every project. And one we look forward to confirming with you.
