

# Octane SURGE

Introducing **Octane's Surge Cycle Bike**. Our performance driven commercial cycle bike is designed to withstand the rigorous demands of your club or facility. Solid construction ensures long-lasting performance for your most intense cycling classes. The maintenance-free magnetic resistance system features a rear wheel design, and the simple and intuitive console features a digital display to deliver essential stats at your members' fingertips. Octane's premium Cycle Bike provides multiple seat adjustments for biomechanically correct positioning.

## FEATURES

- Magnetic resistance provides smooth frictionless resistance
- A built-in generator powers the console eliminating the constant need to replace batteries
- Rear flywheel design protects from sweat and corrosion
- Poly-V Belt for a smooth and quiet ride. Our belt never needs to be replaced or oiled
- Dual Adjustable Universal Seat adjusts vertically and horizontally

**DUAL ADJUSTABLE UNIVERSAL SEAT**  
Adjusts vertically and horizontally

**ERGONOMICALLY DESIGNED HANDLE BARS**  
Innovative design allows exercisers to adjust 13 levels vertically and 5 levels horizontally

**SPLINE CRANK**  
Heavy duty for extra durability

**TILT-AND-PUSH WHEEL SYSTEM**  
Innovative design allows exercisers to efficiently and easily move the bike around

**STRETCH PLATES**  
Built-in pre and post workout stretching plates

**BUILT-IN GENERATOR**  
Powers the console eliminating the constant need to replace batteries

**MAGNETIC RESISTANCE**  
A maintenance free system that doesn't require replacing any friction pads like friction resistance systems.

**REAR ALUMINUM FLYWHEEL DESIGN**  
Protects from sweat and corrosion. Poly-V Drive belt for a smooth ride.

**DUAL SIDED PEDALS**  
SPD clips and pedal cages provide a secure connection to help improve pedaling efficiency.

**ENHANCED CONSOLE**  
A dynamic calorie meter, plus real-time feedback on all performance metrics.
