PREMIUM FITNESS EQUIPMENT SINCE 1981

PS100 RECUMBENT BIKE

The TRUE PS100 recumbent bike is built on a custom-designed, racetrack-inspired steel frame that is a perfect complement to any exercise facility, especially when combined with other cardio pieces in the PS series. TRUE uses the most durable materials available in this class to ensure that the PS100 will look good for the long haul. Pre-programmed workouts provide a variety of training options for users with a wide range of abilities and goals. Plus, the reclining seat back allows infinite adjustment to fit multiple body types and comfort angles. Take a new look at TRUE today
