Custom Colors

Ecore Athletic offers 35 standard EPDM colors (see page 2)! These colors are created through Ecore's Colormill®. Ecore is unique, because it is one of a few flooring manufacturers to develop its own EPDM products at its facility in Lancaster, PA. The exclusive ColorMill process ensures your design will feature the most vivid colors and exhibit a smooth, even finish. There are no limits to the imagination! Create a new shade with various formulations from the 35-color palette!

Custom Logos

Your design ambitions don't have to come second to production capabilities- our custom color options and superior pattern abilities can make achieving your design a reality.
