## ***The Most Versatile Cardio Machine On The Market***

The revolutionary TRUE Spectrum is a stepper, elliptical and runner all-in-one machine. The Spectrum provides versatility for every user with 1" stride adjustments from 13" to 30". The quick keys allow users to switch from a stepping motion to a full-stride running motion with the push of a button to engage more muscle groups in one cardio session. Unique programs like Cardio 360™ provide an option for a full body workout. Manufactured with the highest quality components and rigorous testing, the TRUE Spectrum provides a durable 3-in-1 fitness solution for the busiest commercial facilities.
