

WHY CHOOSE TRUE FOR FIRE FIGHTERS?

TRUE is committed to providing equipment for the dedicated men and women serving this country. With the high-demand of their daily duties, they need equipment to motivate them to elevate physical performance and keep them in top shape.

With the TRUE Palisade Climber, they'll gain the endurance and stamina required in any emergency.

TRUE's Envision II 9" and Envision II 16" consoles provide the **Firefighter Fitness Test** for firefighters to prepare for the CPAT test in which they need to be able to walk up stairs at a rate of 60 steps per minute for 3 minutes total. This test is available on the TRUE Palisade Climber and is the perfect way to get any firefighter ready to take on their duties as a first responder.
